invite you to attend

STRECH

Seminars in Translational Research

Presents

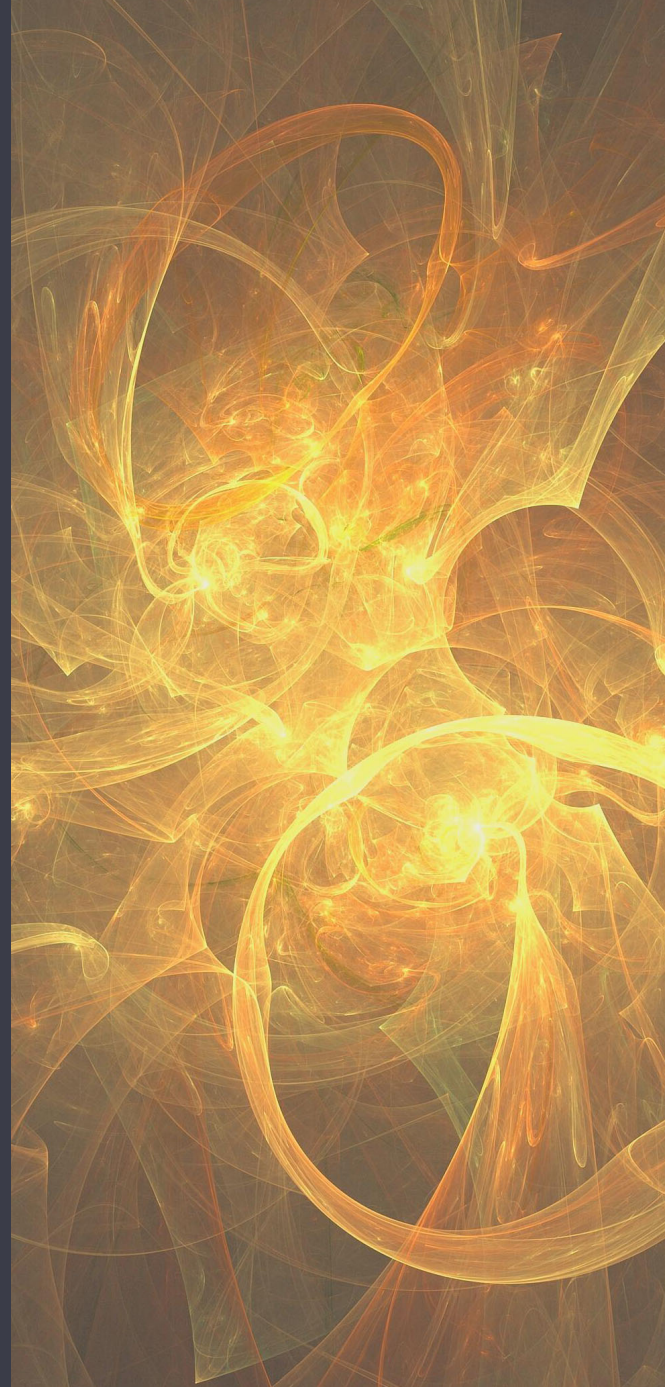

The Center for Innovations and Biodesign at BioBridge Global

The seminar will introduce BioBridge Global and its subsidiaries - a regenerative medicine enterprise in San Antonio. The presentation will emphasize the mission of the organization and highlight its capabilities. In addition, the seminar will focus more on the research and development efforts at the Center for Innovations and Biodesign at BioBridge Global.

Anand Srinivasan, PhD

Executive Director, Center for Innovations and
Biodesign, Research and Development,
BioBridge Global and Subsidiaries

Friday, January 20, 2023
9:00AM - 10:00AM

For information on participating in the current monthly seminar, please head to <https://www.utsa.edu/crts/strech/> or scan the QR code below.
