2009 to 2019 Spring Semester Study Abroad: I gave preparatory instruction prior to departure and while abroad taught the Observational Drawing Class. Prior to travel within Italy, I gave preparatory lectures on art and architecture of the destination cities and then led guided tours of those cities.

2021 to present - Coordinator of First Year Design

2021 to present – Mentor for new adjunct faculty teaching Design 1 or Design Visualization

2020 Spring – 2022 Fall, Technology development for courses: ARC1213,1313,1223. Integrated use of digital collaboration tool "Miro" to simulate essential aspects of the studio environment, presentation and critique, and actively engage students for remote instruction in three different synchronous online courses. Use of document cameras for synchronous demonstrations of material processes, drawing techniques and for recorded demonstrations. The "Miro Classroom" documented the sequence of instruction and production of student work of the entire semester.
