## Program Dates

June 12th - July 11th

## Staff Start Date

June 10th

# Dr. Manuel P. Berriozábal PREP Program Sponsored Professional Development

## CALLING ALL STEM EDUCATORS! 2-DAY TEACHER EDUCATOR INSTITUTE High Quality Engineering Practices

Are you ready to take your teaching skills to the next level?

During this 2-day institute, you will:

- gain a deep understanding of high-quality engineering education and learn how to incorporate these practices into your classroom. 💡
- from hands-on activities to real-world problem-solving, we'll equip you with the tools and knowledge to inspire the next generation of engineers! 🛠️
- be guided through interactive sessions, providing you with practical strategies and resources that you can implement immediately. 🌈
- have the opportunity to network and collaborate with like-minded educators, fostering a supportive community of learning. 🤝

Join us

May 9th and 10th  
8:30 am - 4:30 pm  
Education Service Center,  
Region 20 (ESC-20),  
Riverwalk Room  
1314 Hines  
San Antonio, Tx 78208

Don't miss this chance to enhance your teaching skills and empower your students with the power of engineering! 🌟 Seats are limited, so secure your spot today. Click the link below to register now! ↓
